The screenshot shows the homepage of the Discover Hong Kong website (www.discoverhongkong.com/us/index.jsp). The header features a navigation bar with links for Home, About Us, font size adjustment, a search bar, and user account options. Below the header is a red menu bar with categories: THINGS TO DO, DINE & DRINK, SHOP, PLAN YOUR TRIP, CRUISE, and BEYOND HONG KONG. The main content area has a large banner image of a green double-decker ferry in the water with the text "8:35AM My Time for City Wonders". To the left of the banner is a vertical logo for "HONG KONG ASIA'S WORLD CITY" with stylized Chinese characters. Below the banner, there are two sections: "Happening in Town" featuring a street scene with a tram and a sign for "HONG KONG INSIDER's GUIDE", and "News" featuring a box about visitor centers. A "Sponsored" section is also visible at the bottom right.
